

# RETURN FORM

We are sorry that your order was not to your liking. Don't worry, we will try to solve this for you as best we can! Fill in the information below **completely** to make the return process run as quickly as possible!

The items may be return unworn within 14 calendar day after delivery in the original packaging. Do not forget to pack your package well, that prevents unnecessary costs that we then have to charge. After full receipt of the package, it will take at least 5 working days for it to be fully processed.

The return costs are for your **own** account! Do not forget to frank these sufficiently! Therefore keep your track and trace code until we have processed the package!

If you want to exchange for a different size, color or model, it is best to contact us by sending an email to [customerservice@justbefashion.nl](mailto:customerservice@justbefashion.nl). After receiving your package, we will send you your exchange the next working day! For more information about returns, you can read this at our website [www.justbefashion.nl](http://www.justbefashion.nl).
