

Original JSDA Nail drills

We present original milling JSDA Power - the latest improved models, some of the best cosmetic milling machines in Europe. They are distinguished by high quality which is the result of years of research on improving their design processes, proven long-term durability tests.

Another advantage is very strict quality control - every base milling and handle before it leaves the factory is given quality control. This guarantee that the milling JSDA won the opinions of the most reliable milling nail with a distinctive design willingly copied by other manufacturers.

Only the original milling JSDA Power guarantee reliability and trouble-free long-term operation.

JD200 - 35W

	Model Number	JD200	
	Input Voltage	110V/220V-240V	
	Frequency	50-60Hz	
	Power	35W	
	Weight	830g	
	Size	125*85*70(mm)	
Package	Project Code	Quantity	
Color Box :	CZ00-400-PI2	1PCS	
Manual Instructions	DK17-000-01	1PCS	
Handle	H.S36-001-PI1	1PCS	
Handle Seat	Y.S36-A007	1PCS	
Grinding Head(4 pcs/pack)	H.K.09-004-01	1PCS	
Carton	WZ00-200-00	Packing :	10PCS
		Weight :	15KGS
		Size :	43*26*51 (cm)

JD400 - 35W

	Model Number	JD400	
	Input Voltage	110V/220V-240V	
	Frequency	50-60Hz	
	Power	35W	
	Weight	995g	
	Size	130*130*80(mm)	
	Package	Project Code	Quantity
Color Box:	CZ00-400-PI2	1PCS	
Manual Instructions	DK17-000-01	1PCS	
Handle	H.S36-001-BL1	1PCS	
Handle Seat	Y.S36-A007	1PCS	
Grinding Head(4 pcs/pack)	H.K.09-004-01	1PCS	
Carton	WZ00-400-00	Packing:	10PCS
		Weight:	16KGS
		Size:	43*26*51cm)

JD500 - 35W

	Model Number	JD500	
	Input Voltage	110V/220V-240V	
	Frequency	50-60Hz	
	Power	35W	
	Weight	960g	
	Size	124*150*75(mm)	
Package	Project Code	Quantity	
Color Box :	CZ00-400-PI2	1PCS	
Manual Instructions	DK17-000-01	1PCS	
Handle	H.S36-011-B0	1PCS	
Handle Seat	Y.S36-A007	1PCS	
Grinding Head(4 pcs/pack)	H.K.09-004-01	1PCS	
Carton	WZ00-500-00	Packing:	10PCS
		Weight:	17KGS
		Size:	43*26*51 (cm)

JD700 - 35W

	Model Number	JD700	
	Input Voltage	110V/220V-240V	
	Frequency	50-60Hz	
	Power	35W	
	Weight	1000g	
	Size	130*130*80(mm)	
Package	Project Code	Quantity	
Color Box	CZ00-400-PI2	1PCS	
Manual Instructions	DK17-000-01	1PCS	
Handle	H.S36-011-B0	1PCS	
Footswitch	H.J11-000-BL1	1PCS	
Handle Seat	Y.S36-A007	1PCS	
Grinding Head(4 pcs/pack)	H.K.09-004-01	1PCS	
Carton	WZ00-700-00	Packing:	10PCS
		Weight:	18KGS
		Size:	43*26*51 (cm)

JD105H 65W

	Model Number	JD105-H	
	Input Voltage	110V/220V-240V	
	Frequency	50-60Hz	
	Power	65W	
	Weight	1397g	
	Size	147*161*85(mm)	
	Package	Project Code	Quantity
Color Box	CZ00-8500-Y0	1PCS	
Manual Instructions	DK17-105-00	1PCS	
Handle	H.S71-000-A2	1PCS	
Footswitch	H.J22-000-BL1	1PCS	
Carbon Brush	C008-S71-01	2PCS	
Carton	WZ00-8500-01	Packing :	8PCS
		Weight :	19KGS
		Size :	49.8*26.5*52 (cm)

JSDA JD200, JD400, JD500, JD700

Differences between original JSDA products and and their copies.

We do the test of JSDA brand products and copy products results are below:

	Original JSDA products	Copy products
Real power	55W	46W
Motor life	800 Hours	285 Hours
No-load surface temperature	29.5°C	32.2°C
Vibration level	0.5G	0.6G
The handpiece concentricity	0.04 mm	0.08 mm
Ball bearing	Japan NSK	China copy

JSDA JD105H

Differences between original JSDA JD105H and and their copies.

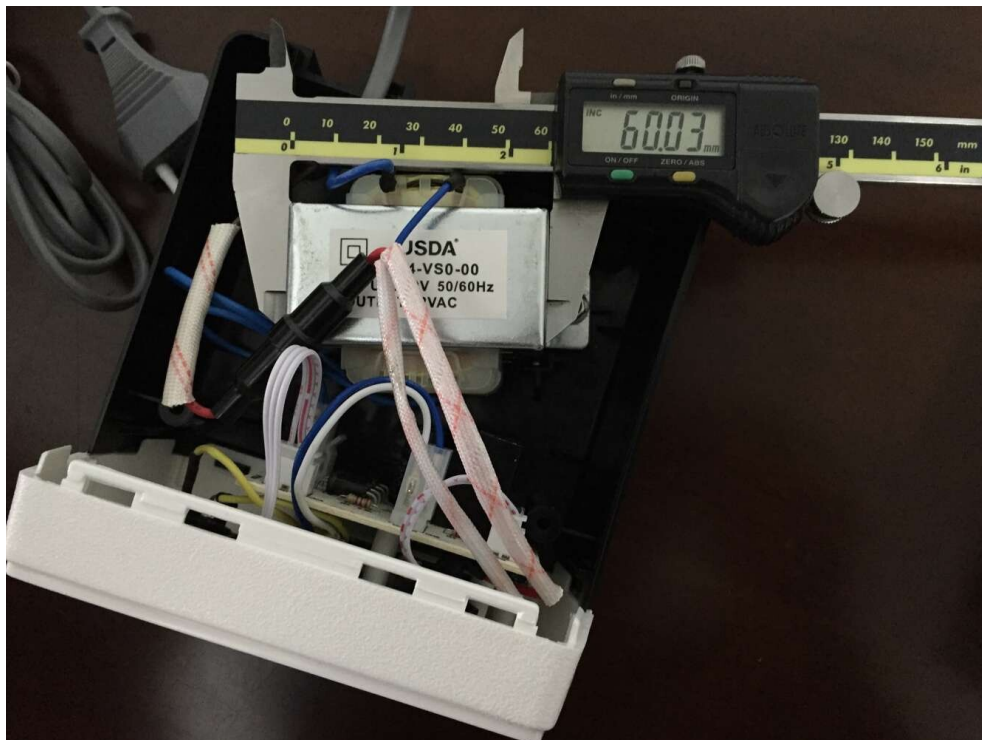

We do the test of JSDA brand products and copy products results are below

	Original JSDA products	Copy products
Real power	105W	99W
Motor life	3500 Hours	800 Hours
No-load surface temperature	30°C	56,5°C
Vibration level	0.35G	1.45G
The handpiece concentricity	0.03 mm	0.09 mm
Ball bearing	Japan NSK	China copy

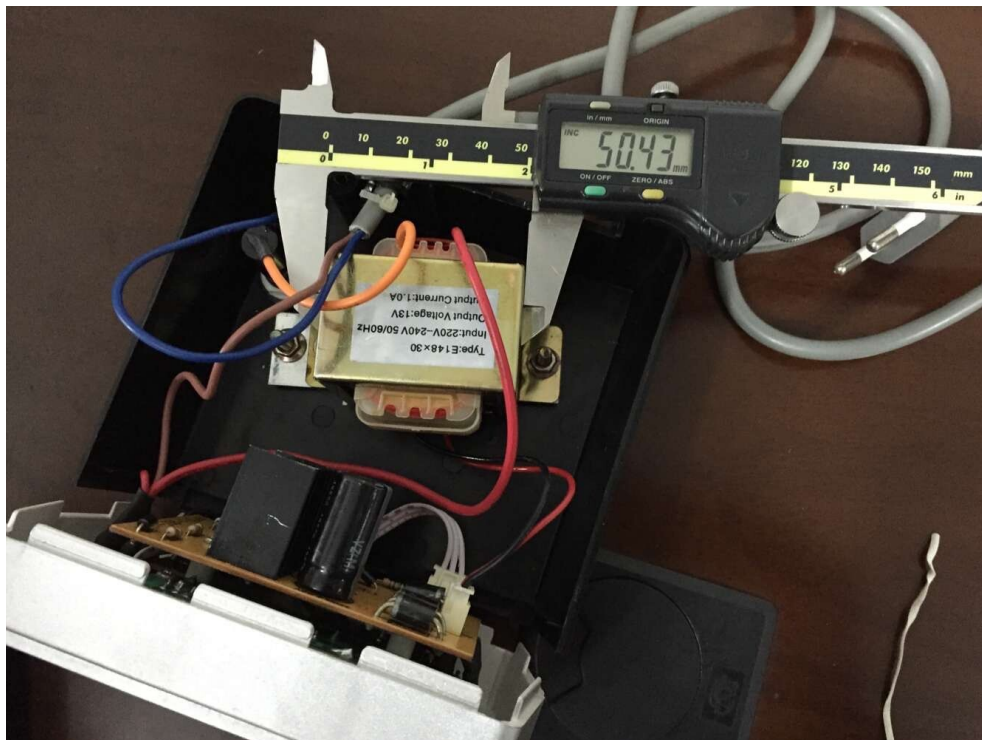

how to recognize original JSDA products?

- Our size is bigger than others.
- Our transformer have our JSDA Logo.
- If the products from us,it is with the logo of JSDA®POWER
- If the products from us,the handpiece with Serial number
- JSDA products switch color is all black.
- JSDA products control box is heavier than copy.
- JSDA control box weight:965.4g.z

Original JSDA transformer with JSDA logo

Cheap Copy

The smaller the transformer, the less the cost, the power smaller.

Serial number on every hand piece
