

Right of withdrawal

If you change your mind about your purchase, you can abandon the sale. You have the right to withdraw from the contract within 14 days without giving any reason. The 14 days begin from the moment you receive the latest product of your order. To abandon your purchase you must inform Nailways (Terp 21, 1822ED, Alkmaar, The Netherlands, Email retour@nailways.nl , phone 0031(0)641814939) that you revoke. This can be done using the form below, but you are not obliged to do that. It is of course faster to contact us directly by email at retour@nailways.nl We love to help you there!

Consequences of withdrawal

On the day that you let us know that you revoke, begin the 14 days during which you have time to return your purchase to us. Nailways reimburse all payments after receipt of the purchase, including any delivery costs Nailways has charged for the returned product (if the entire order is returned), without delay, but within 14 days following the day on which you have, are indicated our withdrawal. Unless Nailways offering to pick up the product, they may refrain from paying back until it has received the product or demonstrate to you that you have returned the product, whichever is the earlier. Nailways used to repay the same payment method you used, unless you agree to a different method. The repayment is free of charge for you. If you have chosen a more expensive method of delivery than the cheapest standard delivery, Nailways need not pay back the additional costs of the more expensive method.

You are only liable for any diminished value of the products that result from the use of products that goes beyond what is necessary to establish the nature, characteristics and functioning of the products.

Note: Under Article 10 of our terms and conditions mentioned products are excluded from the right of withdrawal.

(This template only complete and return when you want to withdraw from the contract)
