### **Farm Saved Seed from the Donau-Silphie brand is regulated as follows**

1. The Buyer undertakes not to obtain seed or offshoots from the supplied Seed from the Donau-Silphie brand or area under cultivation farmed using said Seed, whether for their own use or on behalf of third parties.
2. Where Seed or propagating material is obtained from the Seed contrary to the provisions of subsection 1, the Buyer must neither resell said Seed or propagating material, yield it to third parties for payment or without payment, nor put it in circulation without the prior consent of Metzler & Brodmann Saaten GmbH.
3. The obligations stipulated in subsections 1 and 2 shall apply until the entire crop that has been supplied in accordance with subsection 1 has been completely destroyed.
4. Beyond ownership thereof, the Buyer does not acquire any rights to the Seed, the propagating material grown from the Seed or the treatment method or the cultivation method developed by Metzler & Brodmann Saaten GmbH. In particular, Metzler & Brodmann Saaten GmbH retains the sole and unconditional right to apply for property rights.
5. M & B Saaten must be informed of the sale or lease of the area under cultivation. The Buyer undertakes to impose all relevant obligations within the scope of the corresponding purchase or leaser agreement on the person who is then cultivating the area. In the event that the person who is then cultivating the area fails to comply with the obligations, the Buyer undertakes to compensate the Seller in full for resultant damages.
6. In the event that the Buyer fails to comply with the obligations set out in this Regulation, they undertake to compensate Metzler & Brodmann Saaten GmbH in full for resultant damages.
7. The Buyer consents to their dealer passing the Regulation on Farm Saved Seed on to Metzler & Brodmann Saaten GmbH, including all personal data contained therein, on the condition that all data protection regulations are complied with.
8. The Buyer consents to Metzler & Brodmann Saaten GmbH sending a newsletter to growers associated with Donau-Silphie at varying times (approximately once per year).
